

# Happy With You (Re-Recorded / Remastered)

[Samantha Cole](#)

Thinkin' 'bout cha baby all of the time  
I wake in the mornin' with you on my mind  
I think I must be dreamin' - too good to be true  
It's so amazin' just what love can doBaby you've given me the sweetest emotions  
And now that I've found you I'm never gonna let you goBecause I'm with you  
My dreams have come true  
And baby I'm oh so happy with you  
I feel so alive  
'Cause this love is so right  
And that's why I'm oh so happy with youWhenever you're around me I need your touch  
Ooh you drive me crazy - I want ya so much  
Keep doin' what you're doin' 'cause it feels so good  
It's so amazin' - that's what love can doBaby you've given me the sweetest emotions  
An now that I've found you I'm never gonna let you goBecause I'm with you  
My dreams have come true  
And baby I'm oh so happy with you  
I feel so alive  
'Cause this love is so right  
And that's why I'm oh so happy with youMake me happy, so happy, do do do do, baby I'm so happy with you  
Make me happy, so happy, do do do do, baby I'm so happy with youBaby you've given me the sweetest  
emotions  
An now that I've found you I'm never gonna let you goBecause I'm with you  
My dreams have come true  
And baby I'm oh so happy with you  
I feel so alive  
'Cause this love is so right  
An' that's why I'm oh so happy with you
