

Si Senor the Hairy Grill

Yello

Don't give up all your loving

I like your loving

Tears in my eyes

Touch me, oh oh it's burning

Why might you leave me

Please stay with me Squeeze me, oh oh you squeeze me Squeeze me, oh oh you squeeze me
Don't want anyone to
see you

Oh oh I'm diving into your eyes

Crying, I thought I'm dying

And then I'm smiling into your face
