

# The Reckoning

## Godhead

Come to me  
Kill for me  
Worship me  
Follow everything I do  
As you bow before me  
I'm the one they told you  
Would come again  
Let me show you all the signs  
To bring about the end I'll take you down  
To a hole where you  
Will always be alone  
I'll turn you out  
On a world that doesn't  
Care if you belong I'll push you off  
Of the throne that  
You erected for yourself  
You will be tossed  
On a pile of all the  
Filth that you created I watched you take the power  
In your hands and  
Throw it all away  
I knew you would  
Fall down again someday Come on now  
You know I won't hurt you  
Come on now  
I'm here to protect you  
Come on now I'll  
Lead you to shelter  
Come on now you know I'll take you down  
To a hole where you  
Will always be alone  
I'll turn you out  
On a world that doesn't  
Care if you belong I'll push you off  
Of the throne that  
You erected for yourself  
You will be tossed  
On a pile of all the  
Filth that you created I'll take you down

To a hole where you  
Will always be alone  
I'll turn you out  
On a world that doesn't  
Care if you belong I'll push you off  
Of the throne that you  
Erected for yourself  
You will be tossed  
On a pile of all the  
Filth that you created
