

Just One Kiss (feat. Joss Stone)

Raphael Saadiq

It was that one kiss from you
That changed my life in just a minute, girl
It was that one kiss from you
That changed my life into a world of gold
It was just that kiss from you
That showed me what I truly needed most
Needed most
It was just that kiss from you
That showed me life can be so beautiful
Beautiful, beautiful
Oh, oh
Oh, oh It's like you're taking the words right out of my mouth
(Yeah)
And say exactly how I feel
(Yeah, yeah)
I could fool a few, but never you
Never you
So I keep trying to find
Yeah You sure picked the right time, lady
To come into my life
(You know I did)
One kiss from you, one kiss from you
And then I knew
Oh, oh
That this was something
Oh, oh Just one kiss from you
That changed my life in just a minute, girl
(Yes it did)
It was just that kiss from you
That showed me life can be so beautiful
Beautiful, beautiful
Oh, oh
Oh, oh
