I Swear to God

Scattered Trees

Please do not destroy us
I believe in You I swear to God
Please do not destroy usYour the only one that could have saved him
Well You could've but You let him go
Now my father's dead and still You haven't shownWhere are You, Jesus?
Where are You, Jesus?
Where are You?Did You let him on every secret
Every one that we will never know
Until we're walking on Your streets of goldAnd are You standing there right beside him
Reassuring him I'll be just fine
Well if You are then tell him You're not rightWhere are You, Jesus?
Where are You, Jesus?
Where are You?
Oh, by the way
Where are You, Jesus?
Where are You, Jesus?
Where are You?Please do not destroy us
I believe in You I swear to God
Please do not destroy us
