Somewhere Trouble Don't Go

Buddy Miller

Devil had a daughter
Took me to deep water
Tried to kill me with a kiss
She said "hey now honey"
What about the money
I said "I ain't got time for this"Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't knowShe said baby come inside
I said sorry I got to ride
Sorry but I got to ride
You know you could end up dead
Sleeping in the devil's bed
Sleeping in the devil's bedTake me, take me somewhere trouble don't go
Make me, make me someone trouble don't know, yeahBaby wants to drive my car
But she wants to go too far
But she wants to go too far
First comes love it's so fine
Here comes heartache right behind
Here comes heartache right behindMy baby used to be so sweet
Now she won't come down my street
Now she won't come down my streetAll my plans got derailed
She locked up my heart in jail
She locked up my heart in jailTake me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
