Tell Me I'm Wrong

Eskobar

It's not easy being friends, it's even harder being lovers
The flag is waving it's the end, I build a shelter under my covers
Where I sit I think of you my only loveTell me I'm wrong but I feel so free and so small at the same time
Tell me I'm wrong but I feel so free and so small at the same time
And so small at the same timeIt's not even making sense the ground we walk or sky above us
So how to understand the end, I build a shelter under my covers
Where I sit I think of you my only loveTell me I'm wrong but I feel so free and so small at the same time
Tell me I'm wrong but I feel so free and so small at the same time
Tell me I'm wrong but I feel so free and so small at the same timeWhere I sit I think of you my only loveTell me I'm wrong but I feel so free and so small at the same time
Tell me I'm wrong but I feel so free and so small at the same time
Tell me I'm wrong but I feel so free and so small at the same time
And so small at the same time
