

Since I Fell for You

Charlie Rich

When you just give love
And never get love
You'd better let love depart I know it's so and yet I know
I can't get you out of my heart You made me leave my happy home
You took my love and now you're gone
Since I fell for you Love brings such misery and pain
I know I'll never be the same
Since I fell for you Well, it's too bad
And it's too sad
But I'm in love with you Oh, oh, oh, you love me
Then you snub me
But what can I do
I'm still in love with you I, I guess I'll never see the light
I get the blues most every night
Since I fell for you Since I fell for you
