

# Paradise

## Erasure

Is it so far out of touch?  
Like a million miles away  
When it all becomes too much  
Is there somewhere inside to escape? You're hurting  
Wanting  
Needing  
Longing  
Looking  
For that something  
You will know Don't turn around  
Don't give up on your feelings  
Get what you need then you'll find the release  
Start to believe and you know love is deep  
Make your own paradise If you let your demons go  
Let them walk right out of mind  
It will purify your soul  
And out of the flames you will rise Hurting  
Wanting  
Needing  
Longing  
Ever looking  
For that something  
You will know Don't turn around  
Don't give up on your feelings  
Get what you need then you'll find the release  
Start to believe and you know love is deep  
Make your own paradise Never look back  
Just get up on your feet  
'Cause this life is a game and it's so bitter-sweet  
Start to believe and you know love is deep  
Make your own paradise Don't turn around  
Don't give up on your feelings  
Get what you need then you'll find the release  
Start to believe and you know love is deep  
Make your own paradise
