

# I'm Wishing

Donna Rhodenizer and Jenna Richards

I'm wishing,  
Oh I'm wishing.  
I am wishing very hard.  
I'm wishing,  
Oh I'm wishing,  
On that distant star.

Know what I would wish for, if you're listening?  
Know what I would wish for, if I could?  
I'd just wish a few,  
Perhaps just one or two.  
I wouldn't waste your time,  
I'd make them good.

Don't you think we ought to have more laughter?  
Children playing safely everywhere?  
Peace instead of war,  
Love each other more.  
And then we'd have the world I'm wishing for.

I'm wishing,  
Oh I'm wishing.  
I am wishing very hard.  
I'm wishing,  
Oh I'm wishing,  
On that distant star.

I know I am not a famous person.  
(I am not a famous person)  
But, I am still someone who can dream.  
(But, I still can dream)  
That wishes might come true,  
So I'm asking you,  
Please won't you try to see what you can do?

I know I have used up all my wishes.  
(I have used up all my wishes)  
But, I do have one last small request:  
(One last small request)  
Let me do my part,

I promise, cross my heart,  
To make my world a place worth wishing for.

I'm wishing,  
Oh I'm wishing.  
I am wishing very hard.  
I'm wishing,  
Oh I'm wishing,  
On that distant star.
