

# Just Keep Breathing

## We The Kings

When heaven seems so far away  
And dreams are just a memory  
Without the dark the light won't show  
Remember that you're not alone When you watch the world just turn away  
And break the promises it made  
When love is all too hard to hold  
Just take a breath and let it go Whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing  
Whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing 2 A.M., too tired to sleep  
When what you want's not what you need  
And when these walls don't feel like home  
Remember that you're not alone The beginning's just another end  
It's not too late to start again  
When hope is all too hard to hold  
Just take a breath and let it go Whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing  
Whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing Ooh ooh, ooh ooh When heaven seems so far away  
And dreams are just a memory  
When love is all too hard to hold  
Just take a breath and let it And go whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing  
Whoa oh, whoa oh, whoa oh  
Just keep breathing, breathing, breathing
