

She's a Lady

LION BABE

[Verse 1]

Cause she's all you'd ever want
She's the kind that like to flaunt and take to dinner (Take to dinner)
But she always knows her place
She's got style, she's got grace, she's a winner (She's a winner)[Chorus]

She's a lady

Oh, whoa, whoa, she's a lady
Talking about that little lady
And the lady is mine

[Verse 2]

Cause she's never in the way
Always something nice to say, what a blessing (What a blessing)
I can leave her on her own
Knowing she's okay alone, there's no messing (No messing)[Chorus]

She's a lady

Oh, whoa, whoa, she's a lady
Talking about that little lady
And the lady is mine[Verse 3]

Well, she knows what I'm about
She can take what I dish out, and that's not easy (That's not easy)
But she knows me through and through
And she knows just what to do, how to please me (How to please me)
