Jasper Byrne

Turn me up
Dang da dis
Bang da bis yeah, shonuff
C I A R A lets go
Ooh I'm so glad you came
'Cause you are the cutest thing
Beauty should be your name
And I should be your lady baby
Tell me where you been all my life
'Cause you're so sexy and I
Like to make you the one
Baby here's my number
Call me up
Hotline I got some conversation, I can be your operator
Baby, you should call me later
'Cause you are so fine
I hope that your not playin' 'cause I'm lovin' what you're sayin'
Baby don'tcha keep me waitin'

You're ready to mingle
You're sayin' the right things baby
