

Catch (Live Bootleg - NEC Birmingham 12/87)

The Cure

One, two
Doo doo, doo doo, doo doo doo
Doo doo doo doo doo doo doo doo
Doo doo doo doo doo doo doo doo huh
Yeah I know who you remind me of
A girl I think I used to know
Yeah I'd see her when the days got colder
On those days when it felt like snow You know I even think that she stared like you
She used to just stand there and stare
And roll her eyes right up to heaven
And make like I just wasn't there And she used to fall down a lot
That girl was always falling
Again and again
And I used to sometimes try to catch her
But never even caught her name And sometimes we would spend the night
Just rolling about on the floor (just rolling about on the floor)
And I remember even though it felt soft at the time
I always used to wake up sore You know I even think that she smiled like you
She used to just stand there and smile
And her eyes would go all sorts of far away
And stay like that for quite a while And I remember she used to fall down a lot
That girl was always falling
Again and again
And I used to sometimes try to catch her
But never even caught her name Yes, I sometimes even tried to catch her
But never even caught her name
