

# Her Voice Resides

## Bullet For My Valentine

Our time has ended  
I feel it's only just begun  
And I'm frustrated  
I can't believe you're not the one  
My ears are bleeding  
Her voice resides inside my head  
And now I'm choking  
Release this noose around my neck  
Will I just fall to pieces  
Or am I alright?  
To iron out my creases  
You must lacerate me till they're gone  
These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say 'Goodbye'  
These are my final words to you  
The clock is ticking  
My heart is bursting through my chest  
And now I'm crying  
These tears are falling off my face  
The chair is creaking  
Her voice resides inside my head  
And now it's over  
You put this noose around my neck  
Will I just fall to pieces  
Or am I alright?  
To iron out my creases  
You must lacerate me till they're gone  
These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say 'Goodbye'  
These are my final words to you  
Heaven, where is my angel?  
I need her now, holding me  
Heaven, where is my angel?  
I need her now, holding me tonight  
Will I just fall to pieces  
Or am I alright?  
To iron out my creases

You must lacerate me till they're gone  
These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say 'Goodbye'  
These are my final words to you
