

Fire

Barns Courtney

Lonely shadow's following me
Lonely ghost come crawling
Lonely voices talking to me
Now I'm gone, Now I'm gone, Now I'm gone

And my mom told me - "Son let it be"
Sold my soul to the calling
Sold my soul to sweet melody
Now I'm gone, Now I'm gone, Now I'm gone

Now give me that fire
Now give me that fire
Now give me that fire
Burn, burn, burn

Thousand faces staring at me
Thousand times I've fallen
Thousand voices dead at my feet
Now I'm gone, Now I'm gone, Now I'm gone

And my mom told me - "Son let it be"
Sold my soul to the calling
Sold my soul to sweet melody
Now I'm gone, Now I'm gone, Now I'm gone

Now give me that fire
Now give me that fire
Now give me that fire
Burn, burn, burn

Ghosts and devils come crawling
Crawling my name out
lost in the fire
Sweet virgin blood is calling
Calling my name out
Lost in the fire

Now give me that fire
Now give me that fire
Now give me that fire

Burn, burn, burn

Now give me that fire

Now give me that fire

Now give me that fire

Burn, burn, burn
