I Took a Pill in Ibiza

Austin Awake

Yeah
I get drunk on the weekends
And act a fool with all my friends
I regret it in the mornin
I'm just livin in the moment
But I know that this gotta end
In livin in a small town
I just wanna make it out
I'm sick of seein same faces
Sick of goin same places
Y'all know what I'm talkin about

Lately i dont know, my girl don't trust me
Hard to look you in the face when I know you don't love me
Try to give you what you want but you want nothin
Face so pretty, attitude so ugly
I laugh it off even though it's not funny
Find myself alone everytime I find money
Time flies as soon as you hit 20
Time flies as soon as you hit 20
Spending time tryin to Write my wrongs
Wonder why we can't all get along
Wonder why we can't all get a long

All I know are sad songs
All I know are sad songs
All I know are sad songs
Yeah
All I know, all I know
All I know are sad songs

Truth is I'm afraid to blow my shot
Because I never went to college
Well, I did for a month but whatever
this is all that I got
Yeah
I gotta learn to let it go
Yeah
Because you never know baby

I love seven roll
Yeah
and every single one, it's me

You don't wanna be high like me
Never really know why like me
You don't wanna ride the bus like this
Never knowin who to trust like this

Spending time tryin to right my wrongs
Wonder why we can't all get along
Wonder why we can't all get along

All I know are sad songs
All I know are sad songs
All I know are sad songs
Yeah
All I know
All I know
All I know are sad songs
