

We Made You

Chris Webby

Guess Who

Did you Miss me?

Jessica Simpson sing the chorus

Dina Rea ? (Eminem)

(CHORUS)

When you walked through the door

It was clear to me (clear to me)

You're the one they adore, who they came to see (who they came to see)

You're a ? rock star (baby)

Everybody wants you (everybody wants you)

Player? Who could really blame you (who could really blame you)

We're the ones who made you

(VERSE ONE)

Back by popular demand

Now pop a little Zantac or ant'-acid if you can

You're ready to tackle any task that is at hand

How does it feel, is it fantastic, is it grand?

We'll look at all the massive masses in the stands

Shady man? no don't massacre the fans

Damn, I think Kim Kardashian's a man

She stomped him just cause he asked to put his hands

On her massive Gluteus maximus again

Squeeze it, then Squish it, then pass it to her friend

Can he come back as nasty as he can

Yes he can, can, don't ask me this again

He does not mean to lesbian offend

But Lindsay please come back to seeing men

Samantha's a 2, You're practically a 10

I know you want me girl,

In fact I see your grin

(Now come in girl)

(CHORUS)

When you walked through the door

It was clear to me (clear to me)

You're the one they adore, who they came to see (who they came to see)

You're a ? rock star (baby)

Everybody wants you (everybody wants you)

Player? Who could really blame you (who could really blame you)

We're the ones who made you

(VERSE TWO)

The enforcer, looking for more women to torture
Walk up to the cutest girl and Charlie Horse her
Sorry Portia, but what's Ellen DeGeneres
Have that I don't, are you telling me tenderness?
Well I can be as gentle and as smooth as a gentleman
Give me my ventolin inhaler and 2 Xenadrine
And I'll invite Sarah Palin out to dinner then
Nail her, 'Baby say hello to my little friend'
Brit f'orget K-Fed let's cut off the middle man
Forget him or your gonna end up in the hospital again
And this time it won't be for the Ritalin binge
Forget them other men, girl pay them little atten-tion
A little did I mention, that Jennifer's in-
Love with me John Mayer so sit on the bench
Man I swear them other guys you give 'em an inch

They take a mile, they got style, but it isn't Slim

(CHORUS)

When you walked through the door
It was clear to me (clear to me)
You're the one they adore, who they came to see (who they came to see)
You're a ? rock star (baby)
Everybody wants you (everybody wants you)
Player? Who could really blame you (who could really blame you)
We're the ones who made you

(VERSE THREE)

And that's why? my love
You'll never live without,
I know you want me girl cause I can see you checking me out
And baby, you know, you know you want me too
Don't try to deny it baby, I'm the only one for you
Damn girl I'm beginning to sprout an Alfalfa
Why should I wash my filthy mouth out
You think that's bad you should hear the rest of my album
Never has there been such finesse and nostalgia
Man Cash, I don't mean to mess up your gal but
Jessica Alba put a breast in my mouth(brrp)
Wowzers, I just made a mess of my trousers
And they wonder why I keep dressing like Elvis
Lord help us he's back in his pink Alf shirt
Looking like someone shrunked his outfit
I think he's about to flip
Jessica rest assure, Superman's here to rescue ya
Can you blame me?

You're my Amy, I'm your Blake
Matter fact make me a birthday cake
With a saw blade in it to make my jail break
Baby, I think you just met your soul mate
(Now break it down girl)

(CHORUS)

When you walked through the door
It was clear to me (clear to me)
You're the one they adore, who they came to see (who they came to see)
You're a ? rock star (baby)

Everybody wants you (everybody wants you)
Player? Who could really blame you (who could really blame you)
We're the ones who made you
So baby, baby

Get down, down, down
Baby, get down, down down
Baby, get down, down down
Baby, get down, get down
Baby, get down, down down
Baby, get down, down down
Baby, get down, down down
Baby, get down, get down

Oh Amy, Rehab never looked so good,
I can't wait, I'm going back!! HAHA Whooo!
Dr. Dre, 2020, Yeah
