Roc The Life

Rita Ora

My way in London, Americana
The persona, is Primadonna
Kick a mother fucker, to the ki-zerb
You think you crazy, I'm berserk
I'm off the chain, you gotta love it
I can't express enough, how bad I want it
Baby one day, I wanna be there
Beyond the stars, like a zillionaire
Got my clique up in here, put them diamonds in the air
You can hate this all you want but we gone take this everywhere
Don't pay them, no never mind, you just a waste of time
Baby watch it from the sideline
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
Imma rock the life
See the light, I see the money
Super glamorous, fresh off the runway
Wanna be infamous, notorious
As directed, according to us
Whiskey nights, getting it in
Blowing money fast, get it again
Baby one day, I'll live there

Beyond the stars, like a zillionaire
I got my click up in here, put them diamonds in the air
You can hate this all you want but we gone take this everywhere
Don't pay them, no never mind, you just a waste of time
Baby watch it from the sideline
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, li, la, la, li, li
While I rock the
Ohhhhh, we gone make this day last forever
Ohhhhh, Imma make this a lot to remember, no surrender, no
Write my name in the stars, so you can see it wherever you are
Please believe it, Imma take it all
Ain't gone stop until I fall, fall, fall, f-fall, fall
Write my name in the stars, so you can see it wherever you are

Please believe it, Imma take it all
Ain't gone stop until I fall fall fall
Rock the li, li, li, la, la, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, la, la, li, li
While I rock the li, li, li, la, la, li, li, li, li, li, la, la, li, li
While I rock the life
