Eros and Apollo

Studio Killers

Yeah, with a boy like that, it's seriousThere's a boy who is so wonderful
The girls who see him can help but follow him back home
And the gigolos run like spiders when he comes
'Cause he is Eros and he's ApolloGirls, with a boy like that, it's serious
Senoritas, don't follow him
Soon he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still youngBut every night, they fall like dominos
How he does it, only heaven knows
All the other men turn gay wherever he goes
Wow!Girls, with a boy like that, it's serious
Senoritas, don't follow him
Soon he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still youngYeah, with a boy like that, it's serious
Senoritas, don't go, please don't go
Soon, he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still youngSweet Lolitas, don't go, you're still young
