

Mark On The Bus (2009 Digital Remaster)

Beastie Boys

Good morning
Time to get up and go to work I ride on the bus into the city every day
I sit on my seat and I dream myself away
I dream I'm on an island with that foxy lady too
But when I awaken, I must be mistaken, I'm on Third Avenue
Won't you take me away and take away me
Won't you take me away and take away me, yeah
