Advisory - the following lyrics contain explicit language:

You drive like you're being followed
I live like there is no tomorrow
Yeah, somebody stop me
Listen to me
What gives us everything?
I am desperate
I will take anything
I'll take anything
The Amazon Motel
Oh, oh...
The Amazon Motel
They never get out alive
The Amazon Motel
The 35, it's a dirty dive
The Amazon Hotel
They never even survive
I said this would be the last time
To help him close things out starting to die
Somebody stop me
...
Cut off my eyelashes and all my hair
I don't even care
I know you feel my shadow
You can see my face
I cut it all open
I cut it all open
The Amazon Motel
Oh oh 35 just a dirty dive
The Amazon Motel
They never get out alive, never get alive
The Amazon Motel
Oh oh 35 it's a dirty dive

The Amazon Motel
They never even survive
I just fell out of my chair
Right there in front of you
There's always lying on the floor dying
You're all caught up in your own lie
You're so damned you just sat there
Like an asshole
I have waited my whole life
To be here this one more time
Wish I made with all my might
Dying here tonight
The Amazon Motel
Oh oh 35 just a dirty dive
The Amazon Motel
They never get out alive
The Amazon Motel
Oh oh 35 just a dirty dive
The Amazon Motel
They never even survive
Never get out alive
Never get out alive
Never get out alive
