

The White Ship

H.P. Lovecraft

The white ship has sailed and left me here again
Out in the mist, I was so near again
Sailing on the sea of dreams
How far away it seems
Sailing upon the white ship Home through the night here in my darkened room
Sails of white across the misty moon
Floating across the sky
Burning into my eye
Sailing upon the white ship Out of my mind nothing flows
Alone on the shore, but that's how it goes
Everyone knows
How the wind blows
The white ship Out of my mind nothing flows
Alone on the shore, but that's how it goes
Everyone knows
How the wind blows
The white ship
