

Love Me Like a Song (featuring Willie Nelson)

Kimmie Rhodes

Put your arms around me
Listen to my heartbeat now
If you want to love me
Baby, I can show you how
Love me like a song
Sweet as a melody
Learn all the words to me
And sing along
Find the harmony
The rhythm and the rhyme to me
On and on
All night long
Love me like a song
I want to be the melody
You can't get out of your head
Think of me as words of love
A poet might have said
