

4 Million

Riff Raff

[Intro]

Leanin' on, leanin' on

Leanin' on

Leanin', leanin', leanin' on

Leanin' on, leanin' on

Leanin' on, leanin' on

Leanin' on[Hook]

Leanin' on leather, seats back on recline

Leanin' on leather, seats back on recline

Leanin' on leather, leanin' on leather

Leanin' on leather, seats back on recline

I only made 4 million last year

I only made 4 million last year

Leanin' on leather, seats back on recline

Leanin' on leather, seats back on recline[Verse 1]

Sixteen ounces, two times eight

Purple estate, grape drapes

Leanin' on leather, seats back on recline

I can lemon lime, tangerine sun shine

Reflects off my diamonds

Riff Raff been gridin'

Since 1927, I done swung through 7/11

Cause Versace earthquake

Me and dollar Bill Gates

[?]

They call me Richie Riff[Hook]

Leanin' on leather, seats back on recline

Leanin' on leather, seats back on recline

Leanin' on leather, leanin' on leather

Leanin' on leather, seats back on recline

I only made 4 million last year

I only made 4 million last year

Leanin' on leather, seats back on recline

Leanin' on leather, seats back on recline[Verse 2]

Fendi on my lunch, I can Ben Braun

Relaxin' codeine castle eating filet mignon

It's Eleanor Roosevelt in a golden cell

I don't never ask for help

Shot more jumps than Tony Delk

I shot more jumpers than Mark Price
I'm shaking the dice, I'm sevens twice
I'm slurping slice
My chain looks like, I just committed a diamond heist
The fuck you want, the fuck you need
I bob and weave with tricks up sleeve
I vanish into the night like Harry Houdini, on a Versace jet ski[Hook]
Leanin' on leather, seats back on recline
Leanin' on leather, seats back on recline
Leanin' on leather, leanin' on leather
Leanin' on leather, seats back on recline
I only made 4 million last year
I only made 4 million last year
Leanin' on leather, seats back on recline
Leanin' on leather, seats back on recline
