I'm Ready (Mix Version)

Tevin Campbell

Yeah baby
Ah, come onBaby, it was uncool to love me
Then leave me standing here now
Without a goodbye
And maybe I am the fool you call me
'Cause I'll be here standing waiting
To hear you say to meI'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever more
I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever moreSometimes, when I'm alone I feel sad
I know you'll leave me once again
And take my pride
And maybe I am the fool you call me, yeah
'Cause I'll be here standin' waiting
To hear you say to me, yeah
I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever moreSee I'm ready
(You know I'm ready)
To love you
(To love you)
Forever baby

(Forever)
Hey love, now
Come love me forever moreAnd once again I'll be right here
Waiting to share your love
But I hope this time for once
We'll forever mend it upSee I'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever moreI'm ready
(You know I'm ready)
To love you
(To love you)
Forever baby
(Forever)
Hey love, now
Come love me forever moreI'm ready, yes I am
(I'm ready)
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
And ever baby
Hey love, now
Come love me forever moreI'm ready
(You know I'm ready)
To love you
(To love you)
Forever
(Forever)
Hey love, now
Come love me forever more
I'm ready
(I'm ready)
To love you
Forever
(Forever)
Hey love, now
Come love me forever more
I'm ready
To love you

Forever
