

# I'm Ready (Mix Version)

Tevin Campbell

Yeah baby  
Ah, come on Baby, it was uncool to love me  
Then leave me standing here now  
Without a goodbye  
And maybe I am the fool you call me  
'Cause I'll be here standing waiting  
To hear you say to me I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
Hey love, now  
Come love me forever more  
I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
Hey love, now  
Come love me forever more Sometimes, when I'm alone I feel sad  
I know you'll leave me once again  
And take my pride  
And maybe I am the fool you call me, yeah  
'Cause I'll be here standin' waiting  
To hear you say to me, yeah  
I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
Hey love, now  
Come love me forever more See I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever baby

(Forever)  
Hey love, now  
Come love me forever more And once again I'll be right here  
Waiting to share your love  
But I hope this time for once  
We'll forever mend it up See I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
Hey love, now  
Come love me forever more I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever baby  
(Forever)  
Hey love, now  
Come love me forever more I'm ready, yes I am  
(I'm ready)  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
And ever baby  
Hey love, now  
Come love me forever more I'm ready  
(You know I'm ready)  
To love you  
(To love you)  
Forever  
(Forever)  
Hey love, now  
Come love me forever more  
I'm ready  
(I'm ready)  
To love you  
Forever  
(Forever)  
Hey love, now  
Come love me forever more  
I'm ready  
To love you

Forever
