

# Smile

R5

Today I feel like running naked through your street  
To get your attention whoa  
I broke up with my girl so tell me where to meet  
Or did I mention whoa oh oh I dream on, dream about you  
What can I do to make you feel all right?  
Baby I don't want to see you cry, no I want to see you smile  
I want to see you smile Today I feel like blowing all my cash on you  
I'd buy you anything until I'm broke (until I'm broke)  
Today I want to turn your skies from gray to blue  
And if it rains on you I'll be your coat whoa oh oh I dream on, dream about you  
What can I do to make you feel all right?  
Baby, I don't want to see you cry, no I want to see you smile  
I want to see you smile Let me take your picture, baby  
I'll save it for a rainy day  
I don't need much  
I guess I'm just old fashioned in that way  
So on the count of three, lets see you A one, a two, a one-two-three! Smile  
I wanna make you smile oh oh  
I wanna see you smile  
I wanna see you smile It's the things you do  
I wanna make you smile
