I Will

Christopher Cross

Who knows how long I've loved you?
You know I love you still
Will I wait a lonely lifetime?
If you want me to, I will
For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same
Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart
And when at last I find you
Your song will fill the air
Sing it loud so I can hear you

Make it easy to be near you
And the things you do endear you to me
Oh, you know I will, I will
Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart
And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
And the things you do endear you to me
Oh, you know I will
