

# From Out of Nowhere

## The Black Noodle Project

Tossed into my mind, stirring the calm  
You splash me with beauty, then pull me down  
Cause you come from out of nowhere  
My glance turns to a stare

Obsession rules me, I'm yours from the start  
I know that you see me, Our eyes interlock  
Cause you come from out of nowhere  
My glance turns to a stare  
One minute here, and one minute there  
Don't know if I'll laugh or cry  
One minute here and one minute there  
And then you wave goodbye (Goodbye)

Sifting to the bottom, every day for two  
All energy funnels, all becomes you  
Cause you come from out of nowhere  
My glance turns to a stare  
One minute here and one minute there  
Don't know if I'll laugh or cry  
One minute here and one minute there  
And then you wave goodbye  
One minute here and one minute there  
And then I wave goodbye (Goodbye!)
