

# Julie Laughs No More

## Candlemass

Julie's on the run so far away from home  
a tiny little cottage in the woods  
Hunting wolves are chasing this delicious mouse  
where she went we never understood  
Nothing really matters anymore  
No Julie longer knocks on our door  
a fallen princess bends her head in shame  
in the end there's no one else to blame  
And she's falling  
falling without reach  
Julie's falling, lost in her dreams  
Afraid to go, afraid to leave  
Into the emptiness what there's to believe  
Julie's on the beanstalk way up in the clouds  
can't stop climbing, refuses to look down  
the giant in his castle, laughs gives wonderous vows  
she's cast into the stew without a sound
