

How Wonderful To Know

[Andy Williams](#)

How wonderful to know
How wonderful to know
How wonderful to know you really love me
How wonderful to know you really care
How beautiful to feel my arms around you
Kissing your eyes, hearing your sighs, touching your hair
How wonderful to share sunshine and laughter
To fill my empty heart with love divine
To live this life with you and hereafter
How wonderful to know that you are mine
How wonderful to know you really love me
How wonderful to know that you are mine
