

# Waterfalls

## Sitti

A lonely mother gazing out of her window  
Staring at her son that she just can't touch  
    If at any time he's in a jam  
    She'll be by his side  
But he doesn't realize he hurts her so much  
    But all the praying just ain't hellpin'  
    At all 'cause he can't seem to keep  
        His self out of trouble  
So he goes out and he makes his money  
    The best way he knows how  
Another body laying cold in the gutter  
    Listen to me  
    Don't go chasing waterfalls  
Please stick to the rivers and the lakes that  
    You're used to  
I know that you're gonna have it your way  
    Or nothing at all  
But I think you're moving too fastLittle precious has a natural obsession  
    For temptation but he just can't see  
She gives him loving that his body can't handle  
    But all he can say is baby is good to me  
    One day he goes and takes a glimpse  
        In the mirror  
    But he doesn't recognize his own face  
His health is fading and he doesn't know why  
    3 letters took him to his final resting place  
        Y'all don't hear me  
    I seen a rainbow yesterday  
    But too many storms have come and gone  
        Leavin' a trace of not one God given ray  
You say because my life is ten shades of grey  
    I prey all ten fade away  
Seldom praise him for the sunny daysAnd like his promise is true  
    Only my faith can undo  
    The many chances I blew  
        To bring my life to anew  
    Clear blue and unconditional skies  
        Have dried the tears from my eyes  
    No more lonely criesMy only bleedin' hope

Is for the folk who can't cope  
Wit such an endurin' pain  
That it keeps 'em in the puourin' rain  
Who's to blame  
For tootin' caine in your own vein  
What a shame  
You shoot and aim for someone else's brain  
You claim the insane  
And name this day and time  
For fallin' prey to crime  
I say the system got you victim to your own mind  
Dreams are hopeless aspirations  
In hopes of comin' true  
Believe in yourself  
The rest is up to me and you
