

# Praise Is What I Do

William Murphy

Praise is what i do  
when i wanna be close to you  
i lift my hands in praise  
Praise is who i am  
i will praise him while i can  
ill bless him at all times

and i vow to praise you  
through the good and the bad  
ill praise you  
whether happy or sad  
ill praise you  
in all that i go through  
because praise is what i do  
cause i owe it all to you

praise is what i do  
even when i'm going through  
i've learned to worship you  
No, my circumstance  
doesn't even stand a chance  
my praise outweighs the bad

and i vow to praise you through the good and the bad  
ill praise you  
whether happy or sad  
ill praise you  
in all that i go through  
because praise is what i do  
cause i owe it all to you

praise is what i do , its what i do
