

Stay Here Tonight

Enrique Iglesias

I know its late and you're tired and we've been talking for hours here
You don't have to tell me
I see that look in your eyes and I know soon we'll say A goodbye, so, yeah
I feel it coming And I hear you take a deep breath
And my hands are starting to sweat
I don't want you to
I don't want you to leave, yeah Stay here tonight
Stay here tonight
Cause when you're around me everythings right
Don't go, oh, don't leave me alone Stay here tonight
Stay here tonight
I wanna hold you in my arms, show you what thats like
Don't go, I need you, I need you You grab your coat and I'm dying
But I know that your still deciding, yeah
Cause nobody's moving
Time stops and everythings quiet, I'm hanging on for my life in you
You don't even see it And then you coming closer
And baby its not over
Till I hear you say
Till I hear you say, goodnight, oh, yeah Stay here tonight
Stay here tonight
Cause when your around me everythings right
Don't go, oh, don't leave me alone Stay here tonight
Stay here tonight
I wanna hold you in my arms, show you whats thats like
Don't go, I need you, I need you Theres something about you saves me
Something about you makes me feel like I'm alive Stay here tonight
Stay here tonight
Cause when you around me everythings right
Don't go, don't leave me alone Stay here tonight
Stay here tonight
Cause when you around me everythings right
Don't go, oh, don't leave me alone Stay here tonight
Stay here tonight
I wanna hold you in my arms, show you what thats like
Don't go, I need you, I need you Stay with me tonight I need you
Stay with me tonight I need you
Stay
