

I Don't Belong

Frankie Chavez

I don't belong here
No doubt about it
This life I'm living
She bribes me in This feelings I feel
They urge and shout
I don't belong here
I don't belong The world outside
Seems so much better
I wonder why you pull me in
The line that holds you every daylight
She will eventually snap my pride Feels like I'm standing on the ceiling
Excuse me for choosing freedom I don't belong here
No doubt about it
This life I'm living
She bribes me in
This feelings I feel
They urge and shout
I don't belong here
I don't belong Feels like I'm standing on the ceiling
Excuse me for choosing freedom
