Cure for Pain

Morphine

Advisory - the following lyrics contain explicit language:

Where is the ritual
And tell me where, where is the taste?
Where is the sacrifice
And tell me where, where is the faith?Someday there'll be a cure for pain
That's the day I throw my drugs away
Find a cure for painWhere is the cave, where the wise woman went
And tell me where, where's all that money that I spent
I propose a toast to my self control
You see it crawling helpless on the floorSomeday there'll be a cure for pain
That's the day I throw my drugs away
When they find a cure for pain
When they find a cure for pain
Find a cure, find a cure for pain
