

# Bye Bye Baby Blues

## The Judds

Ooh, I'm missin' you  
I've got those bye bye, bye bye baby blues  
Ooh, ain't much to do  
Sing those bye bye, bye bye baby bluesHavin' the blues, hatin' to loose  
Guess I got a lot to learn  
All of my friends have lost now and then  
I guess it's just my turnOoh, I'm missin' you  
I've got those bye bye, bye bye baby blues  
Ooh, ain't much to do  
Just sing those bye bye, bye bye baby bluesTell me the first hurt you the worst  
And time is your best friend  
But when you're this sad and hurtin' this bad  
How do you love again?
