

Missing You

Case

Standing here looking out my window
My nights are long and my days are cold
'Cause I don't have you
How can I be so damn demanding?
I know you said that it's over now
But I can't let go Every day I want to pick up the phone
And tell you that
You're everything I need and more
If only I could find you Like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you Driving 'round thought I saw you pass me
My rear view mirror's playing tricks on me
'Cause you fade away
Maybe I'm just hallucinating
'Cause my loneliness got the best of me
And my heart's so weak Every day I want to pick up the phone
And tell you that
You're everything I need and more
If only I could find you Like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you Like a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you Yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeahLike a cold summer afternoon
Like the snow coming down in June
Like a wedding without a groom
I'm missing you
I'm the desert without the sand
You're the woman without a man
I'm the ring without a hand
I'm missing you
