So Close and Yet So Far

Chunk! No, Captain Chunk!

Once again here is the sunlight
Picking through my cities grey sky
Not anymore lasting a night time
I'll feel again what is to be aliveThe rain slowly stops one day at a time
The clouds are fading away
Every place seems to be more open while
The landscapes stay the sameAs every summer, just get's colder
I enjoy it like it's the last
I'm getting better at growing older
The time is passing by so fastI feel like a leaf for all these priceless times
That take my breath away
Let me forget the cold of the winter nights
And just before today'Cause every summer, just get's colder
I enjoy it like it's the last
I'm getting better at growing older
The time is passing by so fast, so fastAs every summer, just get's colder
I enjoy it like it's the last
I'm getting better at growing older
The time is passing by so fast
