

Bella

Dereb Desalegn & Nicky Bomba

If we could fly
In the dreaming of dreams
And you came to me
I would welcome you in But now I'm awake
In the dark on my own
With nothing to read
And it's too late to phone Bella don't cry, Bella don't cry
Time passes by, and loneliness flies
Someday we'll be together
Though it may be forever
Bella don't cry, Bella don't cry We talk across waters, we walk in the air
Look for reminders of reasons we care
Fill up our days with meaningless acts
Watching the clock as it tries to turn back Bella don't cry, Bella don't cry
Time passes by, and loneliness flies
Someday we'll be together
Though it may be forever
Bella don't cry, Bella don't cry And if the place for us
Is far beyond this earth
I'll wait in peace for you
If I should be there first Someday we'll be together
Though it may be forever
Bella don't cry, Bella don't cry Someday we'll be together
Though it may be forever
Bella don't cry, Bella don't cry
Bella don't cry, Bella don't cry
