Until the End (Acoustic Version)

Quietdrive

When I am gone I hope that you'll stay
Keep me close in memory
You can move on
with your promise of new
I'll be right here waiting for youDon't forget me my love
my love
I won't forget you my love
my loveTo the end of the world
there and back
Until the end of time
No one can stop me
if they tried
The darkest days
The darkest nights
I won't stop until the
day I die
Until the end of the world
my love
To the end of timeEternity is so beautifully cold
I wonder if angels ever feel old
I'm lost in your eyes
I'm stranded at sea
You know you're everything to meDon't forget me my love
my love
I won't forget you my love
my loveTo the end of the world
and back
Until the end of time
No one can stop me
if they tried
The darkest days
The darkest nights
I won't stop until the
day I die
Until the end of the world
my love
To the end of.....Don't be afraid when
everything fades to gray
No, don't be afraid

I need all you're love
I need all of your painDon't forget me my love
(my love)
my love
(my love)
I won't forget you my love
my loveTo the end of the world
there and back
Until the end of time
No one can stop me
if they tried
The darkest days
The darkest nights
I won't stop until the
day I die
(until the day I die)
Until the end of the world
my love
Until the end of time
(until the end of world)
(my love)
(my love)
(till the end of world)
(my love)
(my love)
