Grasshopper

Camper Van Beethoven

400 miles down the mexican coast
got a lot waggle in a rainbow of smoke
surf seven sisters all day long
drinking mezcal at the sundown tongI was like a grasshopper sitting on a vine
along come a senorita say jour mind
feng shui gringo aeropostale
you can stay with me justin also rolledkissing her lips and rolling on the beach
baby stay here work for family
downton cokes in at panhandle slims
my brothers on a plane not much different than himo' Lord give me one more day
I'll be a good boy the rest of my days
o 'Lord if you give me one small sign
I'll be a good boy the rest of my lifeI was like a grasshopper sitting on a vine
she saw me coming saw me coming for miles
I am the lord of darkness and wii
violins mustaches and a spinning whirlygiggot a baby girl and she looks like mom
black curly and a devil's smile
Got a masarati and my name is daryl
Dock ellis on acid lives for one more dayd give me one more day
I'll be a good boy the rest of my days
o 'Lord if you give me one small sign
I'll be a good boy the rest of my life
