Lying

Sam Phillips

If I said, I believe my eyes
And science can move my soul
If I said, I'm not afraid to die
And I don't need youI'd be lyingIf I said, the way he looks at me
Doesn't make me want to undress
If I said, I could leave you now
And go where I could forgetI'd be lyingI've been lying all my life with silence
And I need to find the words to tell youIf I said, I don't want what I don't have
And all the answers are enough
If I said, I believe in myself
And that's enoughI'd be lying
