

Don't Leave Me Alone With Her

Daryl Hall

(daryl hall)Levels

It's just a case of choosing my priorities

Stages

It's just the art of changing our perception

But when I see that girl it messes my security

So please don't leave me alone with herShe always calls me when I'm still at home

Hope I can call you while you're still at home

She always calls before I get away

Hope I can catch you before you get awayLevels

Always a case of choosing my priorities

Stages

It's just the art of changing our perception

But when I see that girl it messes my securities

So please don't leave me alone with herShe wants five minutes of what's taken me a lifetime

I get to see you in between your shows

There are different stages, levels, steps

I think we're far enough gone to worry nowShe wants five minutes of what's taken me a lifetime
