

Get Throwed (ft. Pimp C Z-Ro Young Jeezy & Jay-Z)

Bun B

Smoke somethin', bitch
U-G-K, hold up, talkin' bout, uhPimp C P.A. Trill nigga
Polo fuck that Hilfiger
Made myself a ghetto star
On the slab, sippin' barre
Smokin' weed, sellin' white
Them other niggas shit don't come back right
That's how niggas get popped
Trying to get the cheaper price
Watch yo' paper, guard your life
Cause most these niggaz ain't livin' right
Keep yo' pistol, fuck a fight
Cause niggas out here jack every night
I keep my mind on my money nigga fuck the fame
Big face hun'erds, keepin' the game
Hittin' the corner in the candy thang
Sittin' on leather, grippin' the grainGood weed, good drink, big money, we (Aye!)
Rollin in somethin' foreign, on leather grippin' grain (yeah!)
I handle my business so I think I deserve to get throwed, throwedWell I came in the door, I said it befo'
I never fuck a hoe without head no more
I never pull up in nothin' less than a four
And I smoke cigars, it ain't just for the show
I'm blessed from the do', and known for my stidile
I send a nigga baby mamma home with a smidile
You can have the bitch nigga, I ain't sentimental
Smoke weed and freestyle, no instrumental
Been out, lived through the wicked streets of P.A.
Motherfuck the judge, prosecutor and the DA
Head to the H, where the hoes will fuck three way
Two way, four way, anyway the Pro say
Never hear a hoe say no I won't, no I can't
Stop it and no I don't
Cause a bitch know that I might just explode
And slap her in the face with a pie a la mode
Cause a nigga gettin' throwedGood weed, good drink, big money, we (Aye!)
Rollin in somethin' foreign, on leather grippin' grain (yeah!)
I handle my business so I think I deserve to get throwed, throwedGood weed, good drink, big money, we (Aye!)
Rollin in somethin' foreign, on leather grippin' grain (yeah!)
I handle my business so I think I deserve to get throwed, throwedYou already know what it is, nigga

Snowman, 16 5 a piece, nigga U-S-D-A
 I grind hard (grind hard) and play harder (play harder)
 Break out the pot (yup) heat up the water (damn!)
 Swear to God the minivan do tricks
 Hit the brakes, hit the lights and wow, there go them bricks
 Slide through the hood (Hood!) sittin on some big wheels
 Niggaz coppin white and turn flips like cartwheels
 Trapstar, my NexTel chirp all day (Aye!)
 Ridin' dirty, three nines and a four way (yeah!) Good weed, good drink, big money, we (Aye!)
 Rollin in somethin' foreign, on leather grippin' grain (yeah!)
 I handle my business so I think I deserve to get throwed, throwed Big money, man we only ride the best
 This one and only, big homey
 Tried to told you I'm thug, ha So far I'm tourin on foreign land
 Worldwide I'm known for the Arm and Hamm'
 Er, Murder the streets I'm a wanted man
 (But the flow's like dope) So it's on again
 Started with the block, hit it brick by brick
 Then I charted with the ROC nigga, hit by hit
 I'm retarded with the glock nigga, clip by clip
 The competition is none, they deceased to exist
 Let it breathe a little bit
 He's off his rocker, he's a lil schitz'
 Roll like a football, Hov' used to cook raw
 Now I got the game sewn like granny's good shawl
 Sure, y'all niggas want war
 Y'all got it backwards, y'all should want raw
 Y'all should want more (and more, and more uh!) Good weed, good drink, big money, we (Aye!)
 Rollin in somethin' foreign, on leather grippin' grain (yeah!)
 I handle my business so I think I deserve to get throwed, throwed Good weed, good drink, big money, we (Aye!)
 Rollin in somethin' foreign, on leather grippin' grain (yeah!)
 I handle my business so I think I deserve to get throwed, throwed
