

Nothing (Ã† Mix)

Aeon Spoke

If it was between us
Then I'm still amused So let me go
I've got more damage to do on myself
I'll just go
There's nothing left to lose
Nothing If it was the pressure
Then I'm blowing up So let me go
I've got more damage to do on myself
I'll just go
There's nothing left to lose
Nothing Let me go Let me go
I've got more dying to do
In myself
I'll just go
There's nothing left for you
Nothing
