

Glide

Phish

And we're glad, glad, glad that you're alive
And we're glad, glad, glad that you'll arrive
And we're glad, glad, glad, glad, glad, glad, glad
And we're glad, glad, glad that you're a glide And we're glad, glad, glad that you're alive
And we're glad, glad, glad that you'll arrive
And we're glad, glad, glad, glad, glad, glad, glad
And we're glad, glad, glad that you're a glide And we're glad, glad, glad that you're alive
And we're glad, glad, glad that you'll arrive
And we're glad, glad, glad, glad, glad, glad, glad
And we're glad, glad, glad that you're a glide
