Mona (Live Version)

Bo Diddley

Hey, Mona
Oh, Mona
Yeah, yeah, yeah, yeah, Mona
Oh, MonaTell you Mona what I wanna do
Build a house next door to you
And I see you sometime
We can go kissing through the blindCan you come out in the front?
Listen to my heart go bumpity-bump
I need you baby, that's no lie
Without your love I'd surely dieHey, Mona
Ooh, Mona
Hey, hey, Mona
Hey, Mona
