Almost Missed This Moment

Revive

It's a beautiful days in here
I thought it was raining
'Cause I was stuck insideToo busy to breathe
Too busy to notice
That life was passing byAll this wasted time
Opened up my eyes
And changed where I was goingWhoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this moment
Whoo, ooh, ooh, oohWhoo, ooh, ooh, ooh
Don't know what I was chasing
Everything I never needed to love
When now is enoughOh, you are enough
Whoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this momentSome day it's all gonna end
Some day it's all gonna fade
Everything I've built
Is gonna turn to dust and just wash awaySo I'll be soaking in
Everyday you give
'Cause this is what it is
How we're meant to liveWhoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this moment
Whoo, ooh, ooh, oohWhoo, ooh, ooh, ooh
Don't know what I was chasing
Everything I never needed to love
When now is enoughOh, you are enough
Whoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this momentEvery sunrise
Every goodbye
I wanna be there
I wanna be thereWhoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this moment
Whoo, ooh, ooh, oohWhoo, ooh, ooh, ooh
Don't know what I was chasing
Everything I never needed to love

When now is enoughOh, you are enough
Whoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this momentWhoo, ooh, ooh, ooh
Whoo, ooh, ooh, ooh
I almost missed this moment
Whoo, ooh, ooh, oohWhoo, ooh, ooh, ooh
I almost missed this moment
